

## **A DAILY PRAYER FOR TRINITY**

**Creator God we thank you for Trinity URC, our part of your world-wide church.**

**Jesus, our friend and brother, we pray for ourselves - children, young people, adults - wanting to become more like you day by day.**

**Spirit of truth and power we ask for wisdom:**

- **to make a difference in our lives,**
- **to make a difference through the redevelopment of our buildings,**
- **to make a difference in our neighbourhoods, locally and globally,**

**for we know that much needs to change for your will to be done on earth. Amen**
